Dear Parents/Carers

The importance of optimism

This has been a difficult week for our country. It feels a very long time since Monday evening when Dr Craggs and I attended a grammar school reception at the Houses of Parliament. Our hearts go out to all affected by Wednesday's attacks. However, as our guest speaker today, **Jack Dromey** MP for Erdington put it 'Despite the crises faced by our democracy, we must never lose sight of the importance of optimism.' An excellent message. I was impressed with Mr Dromey's discussions with the Sixth Formers which encompassed mental health, public sector cuts, Syrian refugees and of course the recent events at Westminster.

New Student Leadership Team appointed

Following hustings, votes and interviews this week, we are delighted to announce our new Student Leadership Team. For the first time ever we are appointing two School Captains (one male and one female). This acknowledges the substantial number of female students that we have at our school and the outstanding contribution that they make to the Vesey Experience.

Vesey Leadership on Mental Health

There was a conference on Tuesday 21 March at Newman University aimed to increase understanding of the challenges faced by schools in responding to the needs of students experiencing mental health difficulties and to explore a range of strategies and approaches currently being used within schools to support young people experiencing mental health problems whilst promoting the wellbeing of all students. **Kate Steadman**, Assistant Headteacher and our student 'Time to Change' ambassadors, spoke about how young people attending BVGS are encouraged to seek help early if they are experiencing

mental health problems and to talk openly about the challenges they face. Thank you Miss Steadman, and the ambassadors, for your continued excellent work in this area.

Careers Opportunities

We are pleased to announce that we will be holding a **Careers Fair** on **Friday 31 March** and **Saturday 1 April**. The afternoon of 31 March will take the form of a careers seminar for students from Yr10-13. Each student will be able to book a session through **Mrs Evetts** in the Sixth Form, once timetables have been finalised. The inaugural Jobs Fair will be held on Saturday 1 April. In attendance will be a variety of local, and national companies, offering work experience, internships, casual, part-time and full-time positions. This event is open to students in Year 11-13, and recent school leavers. There will be a number of 45-minute seminars from Old Veseyans, focusing on the industries that were highlighted as the most popular in our recent careers audit. A selection of food and drinks will be available to purchase. **Beverley Nielsen**, the Liberal Democrat candidate for the West Midlands mayoral election will also be there, talking about the exciting times that are coming to the West Midlands over the next few years!

Courteous and Considerate Parking

We would request that parents refrain from parking on the double yellow lines outside the school on Boswell Road when dropping off and picking up students, or parking in the Residents Only Parking Zone. These actions both have the potential to block the road, and could cause safety concerns for students as they leave the school grounds and cross the road. We would suggest that alternative parking is found away from this point of congestion to alleviate any health and safety issues.

Wishing you all a lovely week.

Yours sincerely
