Dear Parents/Carers

BVGS 2027 launch presents plans for school transformation

The future is bright for Bishop Vesey's Grammar School (BVGS), as plans to redevelop major areas of the school were officially announced at this week's London launch event. An audience of current staff, students and Old Veseyans turned out for the big announcement, which took place at the prestigious Reform Club in London. Among the evening's guest speakers were Campaign Chair, **Clive Richards**, Chair of Governors **Dr John Craggs** and Headteacher, **Dominic Robson**, as guests heard plans to renovate key facilities at the school to mark its 500th anniversary in 2027. It was also wonderful to hear from our students as to how the Vesey 2027 Campaign could benefit them. Thank you to School Captains **William Hennessy** and **Sophie Lloyd** as well the Old Veseyans of 2024 **Tadhg Parize** and **Rohit Kooner** from Year 7.

The three key developments will see the total modernisation of the existing Pavilion building, the expansion and renovation of the sixth form facilities, and the design and construction of a state-of-the-art sports hub overlooking the school's pitches. Attendees were shown a short video (<https://twitter.com/BVGS1527/status/917859702847008769>) which went into greater detail about the proposed plans, speaking to students past and present about the impact such a project would have on the future of the school. We are hoping that the first construction project will commence in 2018-19 and will be scheduled for completion 2019-20.

Dominic Robson, commented: "It was fantastic to see so many people turn out for the launch, including some 60 ex-pupils, who will be invaluable in helping raise the necessary funding for the project.

As our school grows and the number of students increases, we must be able to upgrade the existing facilities to offer the best experience for new and existing pupils. I believe we owe it to the school's history to strive for excellence, and give all of our pupils the best chance of succeeding in later life.

What makes the project so special is the involvement and interest of so many Old Veseyans, which clearly demonstrates the high regard in which they hold the school.

It also highlights the overwhelming community spirit that surrounds Bishop Vesey's, with everyone pulling in the same direction to transform the school into a modern education complex."

Bishop Vesey's Grammar School is Company Limited by Guarantee and registered in England and Wales with company number 7986921. The Registered Office is at Lichfield Road, Sutton Coldfield B74 2NH

The Governors of Bishop Vesey's Grammar School are a registered charity (No: 517907)

Brian Davies, BVGS Corporate Partnership Director, commented: "It's only right that a monumental achievement like a 500th anniversary is celebrated with an equally impressive redevelopment project.

The proposed plans will completely revolutionise the school, transforming it into a beautifully modern complex that pupils will be able to thrive within.

For us, it's about generating interest and making sure that everyone is on board with the project – the success of the London launch event clearly shows that people are.

We're very excited for redevelopment work to get underway, and it will be great to see the school receive a well-deserved makeover that future students can enjoy."

Outstanding Progress 8

Thursday saw the publication of the national provisional results for Progress 8 for all schools in England. We were delighted that our GCSE results in August were excellent and the Progress 8 score achieved of +.59 was one of the best in England, certainly the best of all the Sutton Coldfield schools, and also of the five boys' grammar schools in Birmingham, Bishop Vesey's Grammar School came second, to Camp Hill Boys. Most encouragingly the data shows excellent performances in English and Mathematics and it is very clear that students from all backgrounds are attaining well. For a more detailed look at the numbers please visit <https://www.compare-school-performance.service.gov.uk/school/137988>.

Meeting with Nick Gibb MP, Schools' Minister

This evening I will be meeting the Schools' Minister, along with other Headteachers in Sutton Coldfield. One of the concerns I will be raising is what government can do to encourage more students to take Modern Foreign Languages at A Level, as well as improving the quality of mental health services for young people.

Music Masterclass

Last Friday we welcomed **Richard Meyrick** to the department. He gave an insightful masterclass to 65 students who were astonished by his playing ability. Two students wowed Richard and have been offered trial scholarship lessons in London with a team of concert pianists. Well done to **Dan, Harkirpa, James, Kieran, Lawrence, Ned and Nickeal** for excellent performances.

More Music News

Next week is the deadline for the European Concert Tour. We only have a few spaces left. Information about the trip can be found on the music department VLE page or contact Mr Buxton.

Year 7 have been invited to take part in the Bishop Vesey's Super 7s Choir this Christmas, they should have received a letter about this on Wednesday. They will have the opportunity to perform at the School Christmas Concert on the 19 December 2017 7:00pm. We may also have a 2nd performance on the 21 December if the 19 is a sell-out. This will be confirmed at a later date on the Music Department Twitter feed @MusicBVGS

Tickets for the Christmas concert go on sale 30 October and will be £9 for adults and £5 for concessions and can be purchased from Mrs Foster in the Clubs office. Tickets for the 21 of December will only be released once the 19 of December is sold out.

DentSoc

Dentsoc has been introduced to Bishop Vesey's and has got off to a great start. We have had sessions on dentistry basics and this week a third year dental student came in and gave a great presentation, encompassing what dentistry entails as a career and a degree option. The Dentsoc members were given insight into modules that are typically involved in the course, the clinical skills that are taught, examples of how patients are diagnosed and the problem solving involved. The students seemed to take in the information well and it definitely provoked thought on whether or not they would like to study dentistry in the future. They asked a lot of questions and said they found the talk very useful and interesting. Future Dentsoc meetings will hopefully give an opportunity for more guest speakers to give us invaluable talks. Dentsoc will be held every Monday at 1:15 in room 6. **Tia Bahia U6**

Please contact Mr David Goodwin at d.goodwin@bishopveseys.bham.sch.uk if you would like to contribute to this brand new academic society.

Year 7 Welcome Evening

It was great to see everyone at Year 7 Welcome Evening. The year group seem to be developing really well. Thanks to **Mr Doughty** and **Mrs Arrandale** as well as all the tutor team and staff for their support for the boys.

Year 7 Report Card

Year 7 will have received the report card this week. As a parent and Headteacher my advice would be to focus on the commitment grades at this stage. Are they doing their best? If so, progress will follow in time.

Pavilion Re-Vamp

Many thanks to **Maxine Hanley** and the band of parents assisting with the re-vamp of The Pavilion. The Eye of Minds

Michael is a gamer. And like most gamers, he almost spends more time on the VirtNet than in the actual world. The VirtNet offers total mind and body immersion, and it's addictive. Thanks to technology, anyone with enough money can experience fantasy worlds, risk their life without the chance of death, or just hang around with Virt-friends. Art Star of the Week

Shamsuddin Ellahi 11R. Shamsuddin has mastered his pencil tone and become very confident when drawing portraits. He continues to develop his faces, by exploring different expressions and even merging them with iconic comic figures. A very unique idea.
