All candidates will be entitled, and enabled, to achieve an entry for qualifications from an external awarding body.

3. Exam seasons and timetables

3.1 Exam seasons

Internal exams are scheduled in November, January, February, May and June (AS).

External exams are scheduled in June.

All internal exams are held under external exam conditions.

(See also section 11.2: Enquiries about results [EARs])

6. The Disability Discrimination Act (DDA), special needs and access arrangements

6.1 DDA

The Disability Discrimination Act 2005 extends the application of the DDA to general qualifications. All exam centre staff must ensure that the access arrangements and special consideration regulations and guidance are consistent with the law.

6.2 Special needs

A candidate's special needs requirements are determined by the SENCO.

The SENCO will inform subject teachers of candidates with special educational needs who are embarking on a course leading to an exam, and the date of that exam. The SENCO can then inform individual staff of any special arrangements that individual candidates may be granted during the course and in the exam.

6.3 Access arrangements

Making special arrangements for candidates to take exams is the responsibility of the SENCO and the exams officer.

Submitting completed access arrangement applications to the awarding bodies is the responsibility of the exams officer.

Rooming for access arrangement candidates will be arranged by the exams officer.

Invigilation and support for access arrangement candidates will be organised by the exams officer.

7. Estimated grades

Estimated grades

The heads of subject will submit estimated grades to the exams officer when requested by the exams officer.

8. Managing invigilators and exam days

8.1 Managing invigilators

External invigilators will be used for exam supervision.
They will be used for external exams.

The recruitment of invigilators is the responsibility of the HR Officer in conjunction with the exams officer.

Securing the necessary Disclosure and Barring Service (DBS) clearance for new invigilators is the responsibility of the HR Officer in conjunction with the exams officer.

DBS fees for securing such clearance are paid by the centre.

Invigilators are timetabled and briefed by the exams officer.

Invigilators' rates of pay are set by the centre administration.

8.2 Exam days

The exams officer will book all exam rooms after liaison with other users and make the question papers, other exam stationery and materials available for the invigilator.

Site management is responsible for setting up the allocated rooms.

The lead invigilator will start all exams in accordance with JCQ guidelines.

Head of Year may be present at the start of the exam to assist with identification of candidates but must not advise on which questions are to be attempted.

In practical exams subject teachers may be on hand in case of any technical difficulties.

Exam papers must not be read by subject teachers or removed from the exam room before the end of a session. Papers will be distributed to heads of department/faculty at the end of the exam session.

9. Candidates, clash candidates and special consideration

9.1 Candidates

The centre's published rules on acceptable dress, behaviour and candidates' use of mobile phones and all electronic devices apply at all times.

Candidates' personal belongings remain their own responsibility and the centre accepts no liability for their loss or damage.

Disruptive candidates are dealt with in accordance with JCQ guidelines.

Candidates may leave the exam room for a genuine purpose requiring an immediate return to the exam room, in which case a member of staff must accompany them.

9.2 Clash candidates

The exams officer will be responsible as necessary for identifying escorts, identifying a secure venue and arranging overnight stays.

9.3 Anxiety Procedure

Should a student ask for a separate room for examinations because of an inability to take exams in the main examination halls. A doctor's note to support this will be requested from the student.

9.4 Special consideration

Should a candidate be too ill to sit an exam, suffer bereavement or other trauma or be taken ill during the exam itself, it is the candidate's/parents' responsibility to alert the centre, or the exam invigilator, to that effect.

Any special consideration claim must be supported by appropriate evidence within five days of the exam, for example a letter from the candidate's doctor.

The exams officer will then forward a completed special consideration form to the relevant awarding body within seven days of the exam.

10. Coursework and appeals against internal assessments

10.1 Coursework

Candidates who have to prepare portfolios should do so by the end of the course or centre-defined date.

Heads of department will ensure all coursework is ready for despatch at the correct time and the exams officer will keep a record of what has been sent when and to whom.

Marks for all internally assessed work are provided to the exams office by the heads of department.

10.2 Appeals against internal assessments

The centre is obliged to publish a separate procedure on this subject, which is available from the exams office.

The main points are:

- appeals will only be entertained if they apply to the process leading to an assessment. There is no appeal against the mark or grade awarded
- candidates may appeal if they feel their coursework has been assessed unfairly, inconsistently or not in accordance with the specification for the qualification
- appeals should be made in writing by 30 June to the head of centre (or other nominee) who will decide whether the process used conformed to the necessary requirements
- the head of centre's findings will be notified in writing, copied to the exams officer and recorded for awarding body inspection.
- The instigation of an appeal regarding exams that are marked externally are the responsibility of the pupil or parent/carer of a pupil. The school is not accountable for missed deadlines in this scenario.

11. Results, enquiries about results (EARs) and access to scripts (ATS)

11.1 Results

Candidates will receive individual results slips on results days collectable from the school.

Arrangements for the school to be open on results days are made by the Head of Centre.

The provision of staff on results days is the responsibility of the Head of Centre.

11.2 EARs

EARs may be requested by centre staff or candidates if there are reasonable grounds for believing there has been an error in marking.

11.3 ATS

If a result is queried, the exams officer, teaching staff and Head of Centre will investigate the feasibility of asking for a re-mark at the centre's expense.

Centre staff may also request scripts for investigation or for teaching purposes. For the latter, the consent of candidates must be obtained.

GCSE re-marks cannot be applied for once a script has been returned.

12. Certificates

Certificates are presented in person and collected and signed for.

Certificates may be collected on behalf of a candidate by a third party, provided they have been authorised to do so.

Certificates are not withheld from candidates who owe fees.

The centre retains certificates for five years.
