Dear Parents/Carers

University Offers

Over the last half term, I have been delighted by lots of positive news from across the Upper Sixth of offers received through UCAS of places to study at great universities throughout the United Kingdom. These offers should spur the students on to do well in their 'A' levels in the summer. This week the students are undertaking their mock examinations and I can report that these seem to have been prepared for with great seriousness by the students.

This week has also seen the publication of offers at Oxford and Cambridge universities. Commiserations to those who applied and narrowly missed out – Oxbridge is a very competitive international 'field' and, moreover, does not always suit every candidate. However, my warm congratulations go to the following 15 students (a record number for the School and surely one of the best of any school, state or independent in the country):

Phoebe Abbott	Law	Cambridge	Queens
Oliver Bardsley	Veterinary Science	Cambridge	Magdalene
Benjamin Clay	Medicine	Cambridge	Gonville & Caius
Emily Coleman	History	Cambridge	Pembroke
James Cutting	French & German	Oxford	Worcester
Tom Edwards	Mathematics	Cambridge	Corpus Christi
Charlotte Fraser-Morris	Biochemistry	Oxford	Hertford
Louis Kill-Brown	Modern Languages	Oxford	New
Will Kirby	Arabic & Spanish	Cambridge	Pembroke
Daniel Leyva	Law	Oxford	Wadham
Sheamol Obeda	Engineering	Cambridge	Kings
Charles Pottinger	Earth Sciences	Oxford	University
Nickeal Sidhu	Natural Sciences	Cambridge	Gonville & Caius
Juliette Thomas	Spanish & Portuguese	Cambridge	Jesus
Caleb Woodall	History	Cambridge	Pembroke

Physics Olympiad

Following the results from the British Physics Olympiad in November, congratulations go to **Nickeal Sidhu** and **Daniel McRae** who won silver awards (finishing in the top 350 students in the country) whilst **Thomas Edwards** won gold and finished in the top 50! Tom now goes onto round two of the competition. All three have achieved the highest ever positions the school has received in the competition. Well done to all!

Youth Speaks, Tuesday 23 January, 18:00 - 22:00, Sutton Coldfield

Calling all public speakers. Can you speak for 6 minutes on a chosen subject? If so please email your 6 minute speech to d.robson@bishopveseys.bham.sch.uk by the end of Monday 15 January. I would like to enter at least one KS3 team (intermediate) and one Year 10/11/12 team (senior) for the local Rotary competition. Anyone interested in know more, please email Mrs Weblin s.weblin@bishopveseys.bham.sch.uk and she can send you a copy of the competition rules and parental consent forms.

Cambridge University Union Schools Debating Competition, Saturday 10 February, 09:00 - 18:30, Solihull School

Are you Lower Sixth and interested in quick fire debating against some of the best minds in the Midlands? This one is for you. Email d.robson@bishopveseys.bham.sch.uk for further info.

PA Disco for Y7 and Y8

The PA disco will be on Friday 19 January from 19:30 - 21:30 in Big School. Tickets will be on sale in Room 30 at break-time on Tuesday and Wednesday of next week.

Training Resumes

It has been good to see the astro packed before, during and after school with rugby, hockey and rowing training. Great to start to the new year!

Netball v Wrekin College

A depleted netball team (minus the Upper Sixth) lost 43-20 at Wrekin this week. There was some good play. Good preparation for when we meet Wrekin again at the Regional Finals on the 28th January.

Weekend fixtures

We have a feast of rugby this Friday and Saturday to start 2018. On Friday, our U12 A to D teams are away at KES Edgbaston. Meanwhile on Saturday, our 'A' teams from U12 (home),13 (away),14 (home) and 15 (away) play Five Ways. Meanwhile, our B teams for the same year groups are involved in a triangular tournament at BVGS with Abraham Darby and King Henry VIII.

Connor Smith, Y10

I was delighted to hear that Connor has successfully secured a two-year sponsorship deal with Wide Open Magazine which will cover the 2018/19 race seasons for his Downhill Mountain Biking. This is largely due to his amazing achievements last season: Midlands Champion, English Champion, National Champion and Overall Downhill Mountain Biking points award.

He will be receiving these awards at the British Cycling Awards ceremony on Sat 10th Feb 2018. Well done Connor!

Staffordshire County Cross-Country Championships

George O'Connor (8B), achieved his first County vest at the Staffordshire County Cross Country Championships at Sandwell Valley Country Park yesterday. He finished a very respectable 6th place a great improvement on his 25th place last year. He will now represent the Staffs County at the Inter County Championships in March.

George in the final 400m of the race.

Old Veseyan Celebrates his 100th Birthday

Congratulations to **George Groves** from Lichfield who celebrated his 100th birthday this week. Is George our oldest living Old Veseyan?

Hockey

2nds WON 6-0 vs Adams Grammar 2nds

3rds WON 3-0 vs Queen Mary's 3rds.

Nelson Mandela Children's Fund (UK)

We had a nice letter from this charity thanking us for selling red ribbons marking World AIDS Day. This raised £30. Thank you for your support.

Non-uniform Day for Cancer Research, Friday 26 January

There was a tragic car crash that affected one of our Year 9 families before Christmas. The chosen charity of the family is Cancer Research. We are holding a non-uniform day for that cause. Thank you in advance for your support.

University Application

To support our sixth formers in their applications to leading universities, the school is hoping to set up an academic wider reading library, in addition to our main school library, to allow students to develop their UCAS applications with reading and knowledge of university level texts. This will be based in the HIVE, the sixth form study centre. This is one of the most important aspects of showing an interest in a subject beyond the curriculum, and is necessary for students applying to Russell Group and other selective universities.

To help with this, we are seeking donations of any university level texts that yourselves, or your children, no longer have use for. These could be books purchased to use as part of the course, or any

academic reading that goes beyond the A Level curriculum. If possible, we would prefer published non-fiction to university textbooks, as these texts are often more accessible to A-Level students and provide an introduction to the subject as well as detailed treatments of more complex material.

Any books can be sent in with your children, or left for the Sixth Form Team at the Main School Office.
