12 June 2018

Dear parents and guardians

We have been advised by the AQA exam board all candidates will need a **protractor** for their **Physics** exam on Friday **15th** June 2018.

A message has been provided to candidates after today's Biology paper. However, please can you remind your son to bring this (and calculator) to the exam as we do not have any spare equipment in the exam rooms.

We are also in the process of collecting text books after the last exam of a subject, to minimise the number of books returning on the 22nd June. Please encourage him to bring in his library and text books.

The formal return of ALL school items (including locker keys) is on or before Friday 22nd June. It is a non-uniform morning with registration at 8.45am. Students who are not participating in Paintballing will be free to leave school at 9.45am.

Please note results day is 9am Thursday 23rd August, collection will be held in the canteen. Any uncollected results will be posted to the home address that afternoon.

This is probably my last 'Year 11' email to you, as we draw a close to an amazing journey with a super cohort of individuals, so I would like to take this opportunity to wish you and your family well for the future.

Regards

Heather Hodgkinson
