Year 12 A Level Information Evening: 'Making the Most of A Level'

Dear Parents/Guardians,

On **Tuesday 16th October (6.00-7pm)**, I invite you and your son/daughter to attend the Y12 A Level Information Evening in Big School. This is the first of several key dates in the first year of our two-year A Level cycle ready for those all-important examinations in 2020. The evening will address upcoming challenges in Year 12, with a range of information and presentations on what makes a very strong university application, making informed choices regarding university and developing a range of skills through enrichment experiences. There will be several speakers on the evening, including Mr Goodwin, Head of Sixth Form and former students to shed light on the key processes to be undertaken when making one of the most important decisions your son/daughter will have to make. This is one of the key formal evenings and it is important that your son/daughter attend, even if you are unable to accompany them. We do ask due to the capacity of the school hall that students and parents, where possible are accompanied by one parent/guardian. There is no doubt that success for students is based on the collaborative approach by student, teacher and parent(s) throughout the two years, to ensure that your son/daughter is able to maximise their potential and fulfil their aspirations. Please also look out for the Parent Handbook that will be e-mailed to you in the next week.

If you have any queries about any of the above, please contact me to discuss any matters. Can I ask that the reply slip be returned to form tutors by **Tuesday 9th October**.

I look forward to meeting you on **Tuesday 16th October @ 6.00pm**
