

**Mandarin  
Excellence  
Programme**

23 January 2019

Dear parent(s),

**Year 7 Mandarin Excellence Programme (MEP):  
Chinese New Year Celebration Day  
Saturday 2 February 2019**

Your son is invited to participate in our third Year 7 MEP intensive learning day. The theme of the day is Chinese New Year. It is a whole day event, from 9.00 AM to 15.30 PM. Pupils should arrive at QMGS' main school reception between 8.40 to 9.00 AM, wearing something red, because red is the colour for Chinese New Year and is the lucky colour in Chinese culture. On the day, students will have opportunity to learn to do Lion Dance, Chinese drumming, traditional paper cutting, singing Chinese New Year songs and more importantly there is nice food. 😊

Location: Queen Mary's Grammar School,  
Sutton Road,  
Walsall,  
WS1 2PG

The Intensive Day is an important part of the BVGS MEP project; it is **free** and only for MEP pupils. The course is designed to consolidate year 7 pupils' language skills, motivate them in their Chinese learning and help them to develop better culture awareness. Therefore, it is important for the MEP students to attend such event.

Please provide your son a packed lunch. However, break time snacks including fruit, juice and cakes will be provided free of charge by the school.

Please indicate on the reply slip whether your son is attending or not and note down clearly his dietary requirement.

Yours sincerely,

Kim Wang (Mandarin Excellence Programme Co-ordinator)

Please return the reply slip to Mrs Wang **by Thursday 31 January 2019.**

Please note down your **son's name in capital letters and their form**, tick below as appropriate and sign.

<b>Name &amp; Form</b>	
	<b>Yes, I would like my son to attend the MEP Intensive Chinese Learning Day at QMGs on Saturday 2<sup>nd</sup> February 2019.</b>
	<b>My son is unable to attend the Intensive Learning Day.</b>
