

I've invited you to fill in a form:

PA events survey

Every parent is a member of the BVGS Parents' Association (PA). Each year we try to raise much needed funds to help enrich the boy's BVGS experience. We need your help in determining how we can do this and ask if you would take some time to fill out this survey.

Each year we hold an AGM and would like to see more parents attend to be involved in the discussions going forward.

And you can now also follow us on twitter

@BVGSparent

Watch out for our very own email address also, coming soon !

Many thanks

Your PA
