Dear Parent/Carers (of students with hockey sticks only),

BEGINNING MON 15TH OCT 2018

Since September we unfortunately had to change the way hockey sticks were stored due to safety in the sports hall foyer. A solution to the boys carrying their sticks around all day has been resolved and they will be able to use the office just past the link bridge (next door to Mr Bowens office). However, it is essential for it to be successful that the boy's take responsibility and adhere to the following guidelines:

- * Each stick/bag needs to be named, labelled or memorable.
- * The room is for sticks only not kit and trainers etc
- * The room will be labelled with laminates to identify where each year group should leave sticks on a daily basis. This will help to hopefully keep some level of order.
- * It should not impact on lesson time, students need to ensure that sticks are placed in the room before school and are collected at break or during lunch
- * Students need to be considerate to others and not knock them all over and ensure they have the correct stick.

Regards
