October 2018

Dear Parents,

In the build-up to the GCSE examinations in Mathematics we are providing pupils with the opportunity to attend some extra support sessions. These will run on Mondays from 1.20 - 1.55 pm. During these sessions pupils will be able to get help from a Maths teacher with any problems that they may be encountering in GCSE Mathematics. Pupils can bring along any questions that they are themselves working on or can work on some questions provided by the teacher. Each session will be in GF7 and the first session was held on Monday 15th October. Pupils may bring their lunch with them to eat during the session. Please encourage your son to make use of this extra support.

Yours faithfully

Miss V Green

Head of Mathematics
