Awards and Prizes

G.C.S.E. Prizes - the income to fund these prizes comes from the various trusts, groups and individuals as listed on the programme. The winners are determined by a formula based on their results. The average per subject is calculated, so that those taking differing numbers of subjects are treated equally.

The Peakman Prize in GCSE Biology - Mark Peakman attended BVGS between 1970 and 1978. This prize recognizes excellent Biology teaching, particularly the late Mr T B Jones, which took him through the medical schools at University College, and King's College Hospital, London to become a Professor at King's College London.

The John McLaren GCSE Prize for Chemistry - this is awarded by Stephen McLaren in the memory of his son John, his own love of the subject and his gratitude for a second most enjoyable career at Bishop Vesey's.

The Belman GCSE Prize for English - the brothers Michael and David Belman attended BVGS between 1942 and 1952. This prize is presented in grateful recognition of the contribution made to their subsequent careers and their enjoyment of the English language and its literature by the efforts of their teachers, particularly Messrs Barratt and Hollis.

The Belman GCSE Prize for French - the brothers Michael and David Belman attended BVGS between 1942 and 1952. The prize is presented in grateful recognition of the contribution made to their subsequent careers and their enjoyment of the French language and its literature by the efforts of their teachers, particularly the late Mr C P Watkinson.

The Belman GCSE Prize for Mathematics – The brothers Michael and David Belman attended BVGS between 1942 and 1952. This prize is presented in grateful recognition of the contribution made to their subsequent lives and careers by the knowledge of mathematics imparted by their teachers.

Sixth Form Prize - awarded for exceptional and outstanding achievement at GCSE.

G.C.E. 'Advanced' Level Prizes

Awards and Prizes - these individually named prizes are donated each year, either by income from capital in Trust or direct payment. The recipients are chosen by the Head of the Department.

The Phil Coulson Prize for Physics - is awarded in recognition of his 31 years of teaching; his love of the subject; his interest in the world around us and in his utter determination to bring science alive.

The John Griffin Award – this award is presented in memory of John Griffin, former Head of Art at this school. It is presented to the Sixth Form student who has demonstrated outstanding commitment to Art.

The Stephen Roberts Prize for A Level History - It was in the Sixth Form of B.V.G.S. that Stephen Roberts (1970-77) learned to love the study of Britain's nineteenth century. He has gone on to specialize in that period, writing books about Chartism and Victorian Birmingham - one of which he dedicated to P.M. Walmsley, the teacher who introduced him to the Chartists. On leaving B.V.G.S. Stephen was awarded the History Prize. He is now an Associate Professor in the Australian National University.

The A. F. Madden Prize for Personal Research in History – is awarded to the student judged to have completed a research project of the highest quality in a branch of history. In 2005, A.F. Madden, M.A., Ph.D. (BVGS 1929-1935) was awarded an honorary Doctorate of Letters by the University of Oxford, in recognition of his lifetime contributions to Constitutional and Commonwealth studies.

The Michael Belman Prize for Public Speaking - confidence and skill in public speaking are key attributes that students leaving the school will find of immense benefit in their academic and professional careers. This prize is awarded to the pupil who has demonstrated the greatest improvement in their presentation skills and in the clarity and quality of their public speaking during their Sixth Form years.

The P.G.D. Robbins Cup for Sport - is awarded in memory of Peter Robbins, an Old Boy and a Governor of this School, to the student who has made the best all-round contribution to sport in the School during the preceding year.

The P.G.D. Robbins Sports Scholarship - is awarded annually to a student who would benefit from assistance in order to gain further representative honours.

The Linda Shine Award – Linda Shine taught English in the school for 34 years and inspired countless generations of students with her love for the subject. She raised the aspirations for Oxbridge entry and was a governor for 8 years. This prize is presented to the student who in the view of the Department has excelled in 'A' level English Coursework.

The Tom Wyer Memorial Prize for the Victor Ludorum - is awarded to the senior athlete who has distinguished himself at the School's Sports Day in a number of events. The formal presentation of this trophy has been revived in the memory of Tom Wyer, former Governor and supporter of this school.

The Tom Wyer Memorial Prize for the Victrix Ludorum - is awarded to the senior athlete who has distinguished herself at the School's Sports Day in a number of events. The formal presentation of this trophy has been revived in the memory of Tom Wyer, former Governor and supporter of this school.

The Peter Dines Prize for Leadership - is awarded to the student who has made an outstanding contribution to the life of the school and to our community partners. Their efforts have been characterised by the use of initiative and inspirational leadership qualities.

The Clive Richards VC Award - is awarded to a member of the Vesey Community who embodies the virtues of audacity, determination and spirit in their service of Bishop Vesey's Grammar School.

The Clive Richards Prize for the Outstanding Student of the Year – is awarded to the student who has gained National Honours or similar recognition in either a specific subject area or the sporting and leisure arena.

The John Young Prize for the Most Outstanding Performance in Rugby - is awarded by John Young O.V, former English international rugby player, in recognition of the most outstanding performance by a player throughout the season.

The Tom Healy Geography Prize for A Level Progress – is awarded to the Geography student who has made the most progress in their examinations during their Sixth Form years. It is presented in the memory of Tom who was a student at BVGS from 2003 until 2010 and was an Undergraduate at Loughborough University, reading Geography.

The Martin Cresswell Award - this cup is presented in memory of Martin Cresswell, a student at this School from September 1978 to September 1983. It is presented to the student who has made the greatest contribution to the musical life of the School throughout his/her time here.

The Officers' Prize - is awarded to the student who, in the opinion of the previous School Captain and Deputy, has made the most positive contribution to the administrative tasks undertaken by the students. The recipient may or may not have been an Officer.

The Jeavon Porter-Fraser Memorial Award - is awarded to any member of the Vesey Community who has achieved through adversity. It is presented in memory of Jeavon who was a student at BVGS from 2005-2010.

The Eddowes Prize - is awarded to the student who, in the opinion of the Staff, has made the greatest contribution to the good of the School by example and participation throughout his/her school career.

The Norman Bedggood Prize - is awarded to the runner-up for the Eddowes Prize. The money for both these prizes comes from interest on legacies left to the School by the named people.

The Headteacher's Prize and the Chairman of the Governors Prize - are awarded each year to students who have made overall contributions to several aspects of school life, but who have not excelled in any one area sufficiently to gain one of the above prizes.

The Ralph Collins Award - is awarded in the memory of Mr Collins who was a Governor of the School for 40 years, and Chairman of the Governors for several periods. It is awarded to the student(s) who have made the greatest contribution to Community Service during the previous school year, either within the School or in a wider context.

The Mary Matthews Award - is presented to a current member of the Upper Sixth who has only joined us at Lower Sixth Form level and has made the greatest contribution to the general life of the School.

The Philip Bates Performance Prize - this award is presented in memory of Philip Bates, a student at this School from September 1992 to July 1999. It is presented to the Sixth Form student who has reached an outstanding level in stage or musical performance.

The Marian Belman Memorial Prize for Singing - Marian Green, who was born in Little Aston, had a beautiful soprano voice, singing in several amateur choirs, despite a lack of formal training. She had a great love of classical and operatic music which, after her death in 2006, inspired her husband Michael Belman O.V. to present this prize to the student judged to have the best aptitude as a soprano, or to have given the best soprano performance at a BVGS musical event during the year.

The Harold Gray Prize for Singing – is awarded to a student who has shown exceptional talent and flair in singing and is likely to continue singing as a career or lifetime interest. Harold Gray was Head of Music at BVGS from 1930 to 1945 and Associate Conductor of the City of Birmingham Orchestra from 1929 to 1979.

The R. W. Ayres Service Prize - is presented for service to the school. This prize is dedicated by members of form 2all (who entered the senior school in 1931) in honour of their friend R. W. Ayres, who was killed in action during World War II, shortly after the Battle of Britain.

The Perry Shield - for the best all-round athlete was donated to the School by a previous Clerk to the Governors. It is usually on display at the presentation of prizes and the recipient's name is engraved on the shield itself.

The Sixth Form Prize - for Academic Progress is awarded to the student who, when judged by the national baseline standard, has made the best progress across all their Advanced Level subjects.

Leaving Exhibitions - these are financed out of the Governors' Funds and are awarded on a points score basis to those who have excelled at 'Advanced' Level.

The John Madden Exhibition in Medicine – records the community service of an Old Wesleyan who survived serious illness while in the Sixth Form and went on to read medicine at Christ Church, Oxford, thereafter entering general practice. The Exhibition is awarded to a high achiever, going on to read for a degree in medicine or an allied field.

Duncalfe and Wilkinson Exhibitions - these are the highest academic awards that the School can give. They are awarded in alternate years, and financed by the interest on legacies left by the Duncalfe and Wilkinson families.

SPECIAL AWARDS — ADVANCED LEVEL

Parents' Association Prizes - the Parents' Association donate the money for these prizes each year, and they offer one prize in each of the main subject areas, attempting to cover those areas which are not specifically covered in the awards and endowed prizes. The recipients of these prizes are nominated by the Head of the Department.

DESTINATION OF LEAVERS

It was particularly encouraging this year that the majority of students obtained entry to courses of their choice, meeting the requirements that were set for them. Mr D Goodwin very kindly made himself available for consultation during the week immediately following the publication of results and was therefore on hand to offer help and advice to the few students who had difficulties as well as to those who were uncertain of procedures operating at that stage.

Inspiration and Excellence Fund

Charity Registration No. 517907

The aim of the Inspiration and Excellence Fund is to enrich and support our school's breath-taking, extra-curricular programme, which does so much to develop student confidence, independence and resilience.

We are most grateful to all those who have supported the school through the Inspiration and Excellence Fund in the previous academic year.

On behalf of all the Vesey Community, I would like to give my congratulations to the students who have gained certificates and to all our prize winners.

You're all Old Veseyans now!

Please keep in touch and if you would like to visit the school at a future date, do not hesitate to contact us s.weblin@bishopveseys.bham.sch.uk

With my very best wishes for the future,

Dominic Robson, Headteacher
