- Each year, as part of our fund raising activities we run a '50/50 Club'. This prize draw is run on a 50/50 basis with half of the proceeds being returned a prize and the other half going to the Parents Association and ultimately to the school.
- The subscription for the year from the autumn term is £12 for which your number will be entered in 12 prize draws (1 per month).
- We hope that you will be able to support this as we lose members every year when their children leave the school in the sixth form. The 50/50 club is entirely dependent on parents/carers, staff and governors supporting it each year.
- We know you receive many requests for money but with the prize draw you have every chance of winning back your subscription and more besides whilst supporting the school. (Children under the age of 18 cannot become members of the Club.)
