

# Bishop Vesey's Grammar School

05/09/2019

Dear Parent/Carer

## Sports Kit Update - September 2019

As most of you will be aware there have been delays with our student sports kit this summer. Maudesport have advised us that the vast majority of items were delivered yesterday. Most of the items are now available for collection and will be sent out for delivery from Friday onwards.

There is an ongoing issue with the new reversible jersey and the green and purple house t-shirts, which will lead to longer delays. Maudesport will be speaking to all customers that have ordered these items in the coming days and offering them a short-term alternative of either an Under Armour or unbranded shirt in the relevant colours until the new Nike items are delivered.

If your son/daughter has PE or Games before you have chance to collect or the kit is delivered then they should bring suitable sportswear instead.

I appreciate that this situation has not been acceptable. We have been talking to both Maudesport and Neon Sports throughout the last few weeks and will be meeting with representatives from both organisations in the coming weeks to ascertain the way in which we move forward in terms of our sports kit.

To try and help out with a difficult situation, any orders that have been placed with Maudesport and that were due to be collected will be brought to school on Friday morning. Please ask your son or daughter to come to the Sports Hall at either the start of break or lunch-time where they will be able to collect their kit from me in the reception area.

If you have any questions or comments, please do not hesitate to contact me directly via e-mail on [b.davies@bishopveseys.bham.sch.uk](mailto:b.davies@bishopveseys.bham.sch.uk)

Yours sincerely,

Mr B.Davies  
Deputy Director of Sport
