## UPDATES

- Y7 and Y8 Disco went very well, with over 300 in attendance, generating a £1900 donation for school funds.
- 48 Parents attended the Italian night and it gave them an opportunity to meet each other and Mr Robson.
- 19th January will be our first PTFA Forum where we will get updates from the school on current matters. Anyone wanting to ask a question should email it to the PTFA in advance of the meeting. Attendance by registration only.
- On 13th Jan, PTFA is arranging a single event at school for Clive Mark, SpeedOne, Sportology, and Pre-Loved Uniform will be available for sale.
- Over 400 people filled in the recent questionnaire and this has provided valuable insights to the school for things you would like to see less or more of.
- The Pavillion project will be put into action where the school is looking for support to help renovate the Pavillion. Phase 1 funding is arranged, now looking for help with resources (e.g. Plumbers, Kitchen Fitters, Carpenters, etc)
- In February we will run a PTFA meeting on Zoom, where pre-registered parents can listen into the next meeting.
