

## **Structure and Remit of the Members and the Board of Governors at Bishop Vesey's Grammar School**

In April 2012 Bishop Vesey's Grammar School became an Academy Trust School and as such is a Private Company Limited by Guarantee, registration number 07986921.

The members of an academy trust have a different status from the trustees. The members are the subscribers to the trust's memorandum of association, and any other individuals permitted to become members under its articles of association. Members have an overview of the governance arrangements of the trust and have the power to appoint some trustees and remove these trustees. Members can amend the articles and may do so to support stronger governance arrangements. The Members of the Academy are:

Mr Peter Dines, Mr Andy O'Brien, Mr Mark Maybury, Mrs Julie Robson and Mr William Potter.

The trustees (known as Governors at this school) are the people responsible under the academy trust's articles of association for controlling its management and administration. They have responsibility for directing its affairs, and for ensuring that it is solvent, well-run, and delivering the trust's charitable outcomes for the benefit of the public.

The Memorandum and Articles of Association of the Academy Trust and the annual report and accounts can be found in the policies and statements section of the website.

All Governors are appointed for a term of 4 years and can be re-appointed for a further term. The chair of Governors is elected for a term of 1 year in September each year.
