

Careers Bulletin

General careers notices and opportunities for the sixth form:

JLR Apprenticeships

Applications to many of the degree level apprenticeships are now open and are due to close in March. As the opportunities at JLR are popular and competitive, the application window often closes early.

Opportunities includes

- Engineering
- Supply chain
- Digital & technology solutions.

For further information and to apply, please click [here](#).

Sutton Trust Access Apprenticeships Programme

This programme will allow students to meet leading employers and like-minded peers, and learn more about how to access top apprenticeships. Over a year, you will be offered the opportunity to learn more about three different apprenticeship sectors: Banking and Finance (London based), Engineering (Birmingham based), and Law (London based). For further information, to check eligibility criteria and to apply, please click [here](#).

Bath University

Target Bath supports students of Black African and Caribbean heritage to gain places at the University of Bath. You may also have the opportunity to gain a guaranteed offer to study. The programme is free of charge and is open to UK-based students in Y12. It provides support throughout Y12 and Y13, helping with subject choices and preparing for the UCAS process. Target Bath students will also be offered a place on [Discover Bath](#), the free summer residential programme.

For further details, please click [here](#).

University of Cambridge Open Events

If you are interested in making an application to Oxford or Cambridge, the events offered by Christ's College may help guide your decision making.

You can apply to study all Cambridge courses (except Veterinary Medicine) at Christ's. There are a number of events running throughout the year to give you a chance to see the College and facilities, and talk with students, academics and admissions staff. These include Online events, College Open Days, University Open Days (if you want to visit more than one College) and Taster Days for specific subjects.

For further information or to register, please click [here](#).

Sutton Trust Summer School

Applications to apply for this programme are now open and close on 7th March. If you are interested in going to university but not sure what subject you want to study, this will offer you the chance to experience what university is like. It includes academic taste sessions and social activities. Eligibility criteria apply. To apply or read further information please click [here](#).

Oxbridge events:

Women in Science Festival - Robinson, Cambridge

An annual event run by Robinson College, Cambridge, designed to inspire and encourage young women and non-binary students to pursue scientific study at university. The 2024 Festival will be held at Robinson College as a residential event from the afternoon of Monday 8th April to the afternoon of Tuesday 9th April. The event will involve talks and sessions delivered by members of our science community here at Robinson, alongside admissions information and exploration of the College, the city centre, and the city's science museums. Attendees are also invited to take part in a Science Fair, which gives them the opportunity to produce and present their own academic poster.

For more information, click here: <https://www.robinson.cam.ac.uk/prospective-students/access-and-outreach/access-and-outreach-events/women-science-festival>

Deadline: **Monday 4 March**

Medieval Worlds - Corpus Christi, Cambridge

Medieval Worlds: Manuscripts, Texts, and Film – 9-10 April

For students thinking of studying English, History, or Anglo-Saxon, Norse, and Celtic and who are interested in exploring medieval society and culture. This residential gives students the chance to work with medieval manuscripts through using the resources of our Parker Library and there will be workshops led by University of Cambridge subject specialists, covering narrower themes and topics relating to the further study of the medieval aspects of History, English and Anglo-Saxon, Norse and Celtic. <https://www.corpus.cam.ac.uk/medieval-worlds>

To be eligible students must be:

- In Y12 (Y13/S5 in NI/Scotland) and at a UK maintained school
- Studying English Literature and/or History at A-level
- Predicted/on course for A*AA

Pelican Programme - Physical Sciences - Corpus Christi, Cambridge

Corpus will be trialling a new initiative this coming year for female students who are interested in applying for the physical sciences here in Cambridge. There will be fortnightly online sessions in small groups with a subject leader, as well as the usual admissions support that offer on all of our programmes and the chance to be part of the Pelican Celebration residential at the end of June. These sessions will start in March. <https://www.corpus.cam.ac.uk/pelistem>

To be eligible students must be:

- A woman In Y12 (Y13/S5 in NI/Scotland) and at UK maintained school
- Be studying Maths, Further Maths (if offered at school), Chemistry and/or Physics
- Be predicted/on course for A*A*A

Whitehouse common are looking for a **PLAYWORKER at HAPPY HOMETIME CLUB**. If you would like an application form please contact A.Orlandini

Celebrating International Women's Day with the CPS

Crown Prosecution Services will be running a virtual event to inspire young women from schools across the West Midlands to celebrate **International Women's Day on Friday 8th March 2024**. This event has been a huge success in the past with a lot of people attending to gain a direct insight about future opportunities with CPS.

The aim of the event is to:

- Give information on the Crown Prosecution Services.
- Talk about apprenticeships, work experience, career's and recruitment.
- Raise awareness with an International Women's Day Quiz.
- Aspiring talk and Q&A Session with a Senior leader Chief Crown Prosecutor with CPS specialists.

The session is aimed at female students Year 10 and above and there is no cap on numbers.

CPIO – Technology trip

I have 5 spaces available for female students in year 12 to visit a technology company and ask female employees about their job role. If you are female and interested in a career in technology please email Miss Orlandini#
